Respected Sir/Mam,

I am writing to you regarding a serious issue that has come to our attention regarding your dating app. It has come to our attention that an unknown individual has created a **fake profile** using the name, picture, and phone number of one of our students at PSG College of Technology (**India**), who is just 22 years old. This has resulted in a **distressing situation** where this student is receiving **inappropriate messages** and **spam calls** from multiple people.

We have attached a screenshot of the **personal information exposure** for your reference. As a responsible app developer, we request that you take immediate action and **suspend the account associated with this profile**. We also request that you investigate the matter and provide us with a detailed report of the actions taken to prevent such incidents from happening in the future.

We understand that privacy and security are of utmost importance to your company, and we trust that you will take this matter seriously and act promptly to resolve the issue. We appreciate your cooperation in this matter and look forward to hearing from you soon.

Thank you for your attention to this matter.

Sincerely,
Aaditya Rengarajan - PSG College of Technology, India.
